

# Songtekst van de dans: The Older I Get

## The Older I Get Alan Jackson

The older I get  
The more I think  
You only get a minute, better live while you're in it  
'Cause it's gone in a blink  
And the older I get  
The truer it is  
It's the people you love, not the money and stuff  
That makes you rich

And if they found a fountain of youth  
I wouldn't drink a drop and that's the truth  
Funny how it feels I'm just getting to my best years yet

The older I get  
The fewer friends I have  
But you don't need a lot when the ones that you got  
Have always got your back  
And the older I get  
The better I am  
At knowing when to give  
And when to just not give a damn

And if they found a fountain of youth  
I wouldn't drink a drop and that's the truth  
Funny how it feels I'm just getting to my best years yet  
The older I get

And I don't mind all the lines  
From all the times I've laughed and cried  
Souvenirs and little signs of the life I've lived

The older I get  
The longer I pray  
I don't know why, I guess that I  
Got more to say  
And the older I get  
The more thankful I feel  
For the life I've had, and all the life I'm living still
