### **Kentucky Headhunters Honky Tonk Walking**

Well who's that girl with the sock feet and holy blue jeans  
the one that dances like a hurricane  
and shakes it like a washing machine  
guess i got to get my courage up and tell her i don't know how to dance  
but if she can hoochie coochie i can hold her tight  
we can stand in one spot or go honky tonk walkin all night  
(chorus)

so lets go honky tonk walkin honky tonk walkin you could be my honky tonk girl so break up  
the double shuffle its a honky tonk world  
We'll go wading in the waters of the rhythm and rhymes in this world when I go Honky tonk  
walkin with my arms around a honky tonk girl  
come on sugar baby

well now the party's over and i got no license to drive  
when she pulls up beside me and says i've got a marvelous ride  
Yeah she's under my wheels I'm under the spell of her love  
but if she can hoochie coochie i can hold her tight we can get out on the road and go honky  
tonk walkin all night  
(chorus)

so lets go honky tonk walkin honky tonk walkin you could be my honky tonk girl so break up  
the double shuffle its a honky tonk world  
We'll go wading in the waters of the rhythm and rhymes in this world when I go Honky tonk  
walkin with my arms around a honky tonk girl

when i go honky tonk walkin with my arms around a honky tonk girl  
I'm goin now
