## Long Cool Woman Clint Black (Hollies)

Saturday night I was downtown  
Working for the FBI  
Sitting in a nest of bad men  
Whisky bottles piling high

Bootlegging boozier on the west side  
Full of people who are doing wrong  
Just about to call up the DA man  
When I heard this woman singing a song

A pair of 45's made me open my eyes  
My temperature started to rise  
She was a long cool woman in a black dress  
Just a 5-9 beautiful doll  
With just one look I was a bad mess  
'Cos that long cool woman had it all

I saw her heading to the table  
Well a tall walking big black cat  
When Charlie said I hope that you're able boy  
'cause I'm telling you she knows where it's at  
Well then suddenly we heard a siren  
And everybody started to run  
Jumping out of doors and tables  
Well I heard somebody shooting a gun

Well the DA was pumping my left hand  
And she was holding my right  
Well I told her don't get scared  
'Cos you're gonna be spared  
Well I'm gonna be forgiven  
If I wanna spend a living  
With a long cool woman in a black dress  
Just a 5-9 beautiful doll  
With just one look I was a bad mess  
'Cos that long cool woman had it all
